

Welcome to the Uva Nestum restaurant – enoteca

Our food philosophy embraces farm-to-table dishes and food perfectly suited to the seasonal palate. To layer locally produced flavor into every bite, we source produce, meat, dairy and other ingredients almost exclusively from our own farm as well as the best area growers. We also work with selected suppliers and Bulgaria's most reputable companies in hospitality industry to fulfill the diverse culinary preferences of our Guests and ensure exceptional quality in every dish.

There is something in our menus for all of us, from light and healthy delicacies through to irresistibly rich and indulging gourmet treats. Inspired by international as well as local cuisine, Restaurant Uva Nestum serves up classic dishes from all over the world and, moreover, offers a tempting selection of area culinary delights. We are really delighted to introduce you to the amazing variety of flavours, cooking styles and techniques in the Rhodopes and the region of Nevrokop's traditional cuisine, resulting from the love of good food and centuries-old culinary traditions.

In our view, eating well means enjoying foods in their most natural state. Since we appreciate real food and its exciting range of natural aromas and flavours, we craft our menu options with care and diligence, laying great emphasis on freshness and quality of ingredients and giving due regard to the purity and the natural quality of every product. When dining is backed by quality and balance, the pleasure of food we believe turns any meal into a harmonious experience, keeping us healthy and fueled up for the challenge ahead.
